**Omega Seamaster watches to Sapic, Sefik and Kasas**

Belgrade (pps) Serbia's Aleksandar Sapic was the best goalscorer of the 27<sup>th</sup> European Water Polo Championships with 33 goals. He thus narrowly missed to equal European record goalscorer, Spaniard Manuel Estiarte, who scored 36 goals in 1991. The coaches of the participating twelve teams elected Hungary's Tamas Kasas as best player of the tournament. Serbia's Denis Sefik was elected best goalkeeper. All three players received an Omega Seamaster watch each from the hands LEN Secretary Sven-Egil Folvik (Norway) and Haluk Toygarli (Turkey), the Chairman of LEN Water Polo Committee.
